Computational and Applied Mathematics - CAM 2014

http://w3.math.uminho.pt/CAM2014 June 30-July 3, 2014 Guimarães, Portugal

CAM 2014 is a workshop organized as part of the International Conference on Computational Science and its Applications - ICCSA 2014 (http://www.iccsa.org/)

TOPICS

The aim of the workshop is to bring together scientists working in applied mathematics, scientific computation and applications in all areas of sciences, engineering, industry and economics. Topics of interest include but are not limited to:

- Computational and Applied Dynamical Systems
- Computational Complex and Hypercomplex Analysis
- Differential Equations with Applications
- · Numerical Methods and Algorithms
- Scientific Computation

IMPORTANT DATES

February 28, 2014: Paper submission

April 10, 2014: Notification of acceptance

April 10 - May 6, 2014: Early-bird Registration

May 6, 2014: Submission deadline for the final version of the papers

June 30-July 3, 2014: Workshop taking place

PROCEEDINGS

The proceedings of the CAM 2014 Workshop will appear in the Springer-Verlag Lecture Notes in Computer Science (LNCS) series.

SUBMISSION DETAILS

To submit a paper, please connect to the submission page from the link available at the ICCSA 2014 web site. Only papers submitted through the electronic system and formatted according to LNCS rules (between 10-16 pages) will be considered for reviewing and publication (http://www.iccsa.org/authors-instructions).

The paper must deal with original and unpublished work, not submitted for publication elsewhere. All submissions will be reviewed by at least three experts in the relevant field.

Please pay attention, when submitting your contribution, to select the right entry Computational and Applied Mathematics — CAM 2014 in the listbox shown in the submission form.

REGISTRATION

Registration ICCSA 2014 is compulsory for at least one of the authors of the accepted papers. Go to ICCSA 2014 website for all aspects concerning registration, travelling, visas, accommodation, etc.
